GELATI E CICLABILI 2011

Starting on June 15th

Every Wednesday in the summer and many Sundays: cheerful evenings by bike.

The target of "Gelati e Ciclabili" is to know the best ice-cream makers biking on the cycle ways in and around Bologna. On the eighth edition, "Gelati e Ciclabili" in 2011 offers evening appointments from June to September: two happy hours with departure from Piazza Maggiore in Bologna.

Every evening – with a different topic (the cream, the chocolate, the sorbets, ...) - it will be "tested" two ice-cream shops, located near the existing cycle ways and reached easily by anyone bicycling (with any bike, well equipped in particular with the lights -). It will be possible to:

- let everyone know the possibilities of cycling in Bologna and the surrounding areas;
- appreciate the art of companies - often small shops that cannot compare the impact of the shopping centers or the franchising group – that offer high quality ice-creams;
- know "the chemistry of the ice-cream" or why the ice-cream is healthy;
- bring together again families (parents and children) by cycling safely to (re)discover Bologna;
- see if it is possible, in the dark, cycling on the cycle ways as during the day...

Every ice-cream shop will be voted by the participants, who will be required the delicate task to test two flavours (one on the topic suggested) in the two ice-cream shops during each evening.

Among all the compiled cards it will be made a ranking of the ice-cream shops.

Among those who attended the most number of evenings it will be extracted three portions (of 1kg each) of ice-cream as a reward from the most voted ice-cream shop.
